

Laneventure®

Leeds Castle

Graceful, Sumptuous, Enchanting

Laneventure expands the ever popular Leeds Castle Collection and Palm Beach Collection with comfortable and stylish designs this market. Both collections are designed by Mimi McMakin & Brooke Huttig of Kemble Interiors Inc. in Palm Beach. Personalize the upholstery with your own fabric or select from over 200 Excursions fabrics.

Below is a sampling of Laneventure's premier designs from the Leeds Castle and Palm Beach Collections:

Pauline Cuddle Chair and Ottoman

This fully upholstered **Pauline Cuddle Chair** and **Ottoman** ensemble features elegant English inspired details including a serpentine shaped back cushion, two down-filled toss pillows and waterfall skirts that cascade gently from the softly padded arms. Choose either a swivel option or stationary version for relaxing conversation. Available to retailers in October 2008.

Stylish, Functional, Graphic

Console Table

The **Console Table** is constructed with a hand painted tortoise relief design that reflects the designing partner's love of nature. Mimi & Brooke custom designed this stylish console table as a functional table in any space. The bamboo legs are reflective of the graphic architecture frequently found in the surrounding areas of Palm Beach, their home and design headquarters. Available to retailers in October 2008.
