CONSTRUCTION

Outdoors or in, you deserve the very best.
Easy delivery and set up, Ultimate Performance

- Easy Set Up
 - Units are not an integral part of home structure, thus no building codes to meet.
 - Affordable delivery, modular assembly, no special equipment fees.
- Finest Quality Materials
 - Molded cement fiber construction is durable, water resistant and fire retardant.
 - Porcelain tile hearths withstand the elements.
 - Self-leveling guides to adjust and meet your needs.
- Versatile
 - Wood burning firebox
 - Easy conversion to LP or natural gas logs: consult your local retailer.
 - Variety of colors, shapes and sizes.

CARE & MAINTENANCE

WeatherMaster by Laneventure fireplaces are extremely durable. Proper care and maintenance will ensure a long life.

- Protecting
 - Inspect each season.
 - Requires periodic maintenance as it ages.
 - Recommend that stone fireplaces be re-sealed every 6 to 12 months with a stone enhancer sealer.
- Cleaning
 - Spot wash soft color free cloth or sponge with mild soap and warm water or neutral PH cleaner.
